

FRONTROW™

Reinventing the Camera

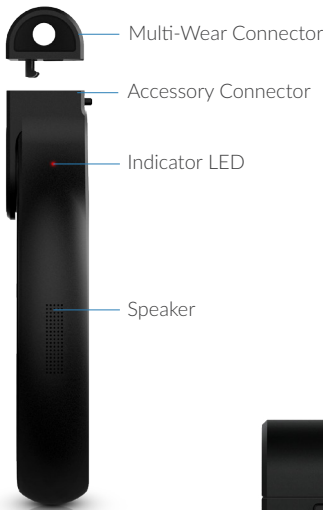

Datasheet

# FRONTROW™

Introducing FrontRow™, a new camera technology enabling the effortless capture and sharing of life's experiences. FrontRow features a lightweight and compact design with interchangeable accessories and multiple operating modes. A mobile app is available for iOS and Android™ devices.

FrontRow features cameras on both sides and an easy-to-use touchscreen display. A subtle interlocking connector provides wearable flexibility using the included accessories: a stylish lanyard, a multi-purpose magnetic clip, and a multi-wear connector. Upcoming accessories include a car window mount and flexible coil mount.

Fast Charge  
USB-C Port

With its USB Type-C connector, FrontRow can be charged on the go using Type-C smartphones and has a quick-charge time of approximately 20 minutes.

Full Day  
Battery Life\*

FrontRow has a standby time of up to 50 hours. It is capable of capturing in Story mode (time-lapse capture of experiences) for up to 16 hours and in Live streaming mode for up to 2 hours.

\* See specifications page for details on battery life.

## Story Mode

### Own Your Story

Story mode uses our dynamic capture feature to allow you to share entire experiences like never before. FrontRow will capture images throughout your day for up to 16 hours and compile a video of the content.

## Live Mode

### Live Stream to Social Media

The FrontRow user interface allows instant live streaming on social networks including Twitter, Facebook, and YouTube, as well as integration with a variety of popular applications like Dropbox, Spotify, and more.

## Camera Mode

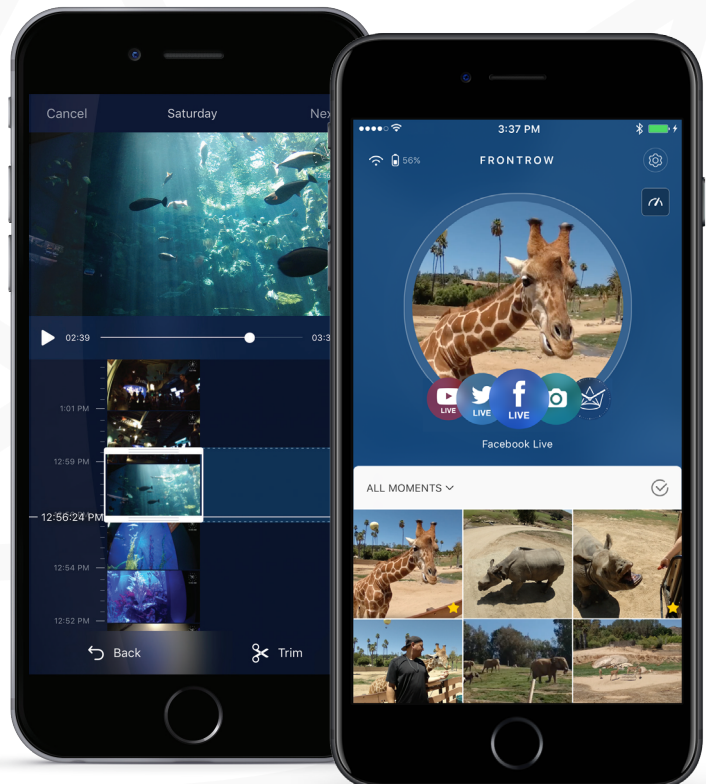

### Capture Every Moment

Camera mode allows you to easily record High-Definition (HD) video or capture high-resolution photos. Press the Media button to take a photo or hold it down to start or stop recording.

## Mobile App

Use the FrontRow app to preview the video feed and remotely start or stop recording. You can also use the app to download, review, and edit your content.

## Included Accessories

### Magnetic Clip

Use the specially designed adjustable multi-purpose magnetic clip to place the camera on a flat surface, clip it, or mount it magnetically.

### Lanyard

A stylish lanyard attaches to the camera to allow you to easily wear it. You can quickly adjust the length to fit to your preference.

### Multi-Wear Connector

Use the Multi-Wear Connector to wear your FrontRow camera on your favorite necklace. Simply slide the necklace through the connector and put it on.

## Optional Accessories

### Coil Mount (Optional)

Model: FR-SM

The FrontRow Coil Mount offers the flexibility to mount your camera on a railing, a stand, or even a tree branch.

### Car Mount (Optional)

Model: FR-CM

The FrontRow Car Mount lets you capture life on the road using your FrontRow Camera.
